The only point now requiring orders of Govt is about the retention or otherwise of the Executive a Reserve Police force

The Inspector General in his letter No. 2946 / 253 dated 13th February 1900 recommended that the Reserve force in question should be retained at Chickballapur as Town Police to meet the requirements of that large and important town. The reasons assigned are (1) that the population of Chickballapur is 10,623 and the town contains many mischievous and turbulent

It seems preferable to sanction the retention (if at all) till the end of this current official year, as there is no knowing when the Supdt of Police may be able to send up his proposals for the reorganization of the Police establishment.
